

ACADEMIC AND BUSINESS EVENTS

Academic Events

The NEEF organizes **Seminars, Symposiums, Conferences, Workshop, Training Programs**, etc., to disseminate the knowledge on Innovative and Sustainable Solutions in Energy, Environment for Sustainable Development, for the benefits of various stakeholders.

The ISEED is a Flagship International Event of the NEEF focusing on a broad theme of Innovative and Sustainable Solutions in “Sustainable Energy, Environment and Development” (SEED) covering several sub-themes, areas and topics.

Business Events, Exhibitions and other Events

NEEF also organizes Business Events and Exhibitions of eco-friendly products, processes and services, which may benefit from the Business-to-Business (B2B) and from Business-to-Consumers (B2C).
